

# Meal Card Basics

## For Residents and Clinical Fellows

**Your Meal** card carries a money balance good toward purchases of food in the Moffitt Café and Grill, Carmelina's, Panda Express, Segafredo, Subway, Courtyard Café, Palio, and Lunch Stop (Mt. Zion).

Your **Residency Program Coordinators** have added funds to your account for your use. The amount of funds varies according to your "on-call" schedule. Should your purchases exceed your monthly limit, you are responsible for paying the difference at the cashier. You may also pre-pay from your own funds to have credit added to your account.

**10% discount** will apply for purchases at the Moffitt Café and Coffee Cart only when you use the Meal Card.

**Lost or Stolen** Meal Cards must be reported to resident coordinators immediately, who should then contact the Nutrition and Food Services Dept, by calling 415-353-8921 or emailing [MoffittMealAccounts@ucsfmedctr.org](mailto:MoffittMealAccounts@ucsfmedctr.org) (Seth Hopkins or Beth Cabugao).

**Problems using the account?** Please check the balance on your account by asking the cashier. If you have enough funds in your account to cover your purchase, but the terminals are not letting you use the card, please contact Nutrition and Food Services at 415-353-8921 or email [MoffittMealAccounts@ucsfmedctr.org](mailto:MoffittMealAccounts@ucsfmedctr.org) (Seth Hopkins or Beth Cabugao), M-F 8:00am to 5:00pm.

**Transferring or leaving the program?** Your account is issued to you, so your account remains active until you decide to cancel the account. If you are transferring to a different Residency Program, please keep your bar code sticker and let your new Program Director know that you have an existing sticker. If you are leaving the program or graduating, you have the option of keeping the account and sticker for future use, or canceling the account. Should you decided to cancel the account, any remaining account balance will be refunded to the Residency Program.
